

Model 1610 Easy Install Air Cleaner

- Model 1610 is a whole home air cleaner designed for easy installation in upflow HVAC systems with right or left returns.
- Built-in ductwork for applications that require a 90° duct adapter eliminates the need for field forming transitions, significantly reducing installation time
- The return opening is adjustable, from 8" to 10"
- Cabinet includes metal tabs which can be used to secure the cabinet to the furnace or air handler during installation
- Recommended air flow is up to 2000 CFM
- Includes MERV 11 Media
- Proprietary design protects your replacement media business
- Collapsible media with self spacing pleats
- SelfSeal™ reduces air bypass and improves performance
- Self aligning painted door easily snaps into place every time
- Warrantied for five (5) years from date of installation to be free from defects in materials or workmanship. Media is disposable and does not apply to warranty
- Unique design eliminates the need for turning vanes
- Media replacement is recommended after one year

Model 410

- MERV 11 media permanently traps up to 85% of pollen-sized particles (5.0 microns).
- MERV 11 media permanently traps up to 80% of mold and spore-sized particles (3.0 microns).
- MERV 11 media permanently traps 50% of respirable dust particles (1.0 to 3.0 microns).

Model 413

- MERV 13 media permanently traps over 90% of pollen, mold and spore sized particles (3.0 to 10.0 microns).
- MERV 13 media permanently traps over 90% of respirable dust and pet dander sized particles (1.0 to 3.0 microns).
- MERV 13 media permanently traps up to 75% of bacteria sized particles (.3 to 1 micron).
