

Braeburn® Media Air Cleaners

Braeburn media air cleaners are an economical solution to whole house air filtration! These quality constructed media air cleaners replace most competitive models, require no electrical power and include a high quality Braeburn MERV 10 replacement filter. Four models are available to fit almost every residential or light commercial application, including nominal sizes of 20 x 25, 20 x 20, 16 x 25 and a right angle model. Installation is quick and easy and will provide years of reliable service.
