

# HVAC/R TOTE

Average customer product rating:

The hilmor HVAC/R Tote is your go-to tool storage and transport solution. It includes 27 exterior and interior pockets, 18 elastic bands and clips for your keys so you can store your tools safely and find them quickly. Plus, an interior padded pocket provides safe storage for your meter. Its sturdy water-resistant bottom means rain or shine, the contents inside won't be damaged. Plus, the reinforced rivets mean it's built to last. And while it's spacious enough to hold up to 50 lbs., a padded shoulder strap makes carrying a little more comfortable.
