Fear the 15 SEER: Fall Extension Promo

BOSCH

Promotion Period: July 15th – October 31st 2023

Bosch IDS 15 SEER promotion details:

For every Bosch IDS 15 SEER purchased between July 15th – October 31st 2023, claim up-to a \$200 instant product discount⁽¹⁾ at the counter of a bosch distributor at the counter (no registration required) + up-to a \$100 in cash redeemable points. The cash redeemable points will be calculated at the end of the promotion period. Based on valid product registrations (see below for details). The total will be credited to the respective contractor's account on the Bosch Home Comfort Pro portal after October 31st 2023. Once the points are available on the portal the contractor can claim the redemption.

To claim your cash redeemable points:

Contractors will have to apply and register for the Bosch Home Comfort PRO program. Online registration is fast, easy and there is no paperwork! Product registration at (<https://www.bosch-homecomfort.com/us/pro>) is required to claim your points.

When registering for the dealer program before you can redeem your points a contractor will have to submit their W9 tax information in order for Bosch to process the claim.
