

Ice Free™

Fuel Oil & Diesel De-Icer

Ice Free will dissolve ice and wax in jellied fuel oil and diesel fuel. Use Ice Free with each fill to prevent wax and ice crystals from forming. Ice Free is compatible with all types of fuel oils and diesel fuels.

Add 1 pint of Ice Free to 275 gallons of fuel oil or 50 gallons of diesel fuel. If fuel is already frozen or jellied, add 2 pints.

- *Eliminates ice, prevents ice build-up*
- *Eliminates jellied fuel, prevents jelling*
- *Keeps lines flowing*
- *Emergency treatment*

Stock No. 60-175

Available in pt., 1, 5 & 55 gallon containers
