

## \$25 OFF Nest thermostats this heating season.<sup>1</sup>

Find them at your local Sid Harvey's now through December 31.<sup>1</sup>

Don't miss limited-time deals on the Nest Learning Thermostat and Nest Thermostat E – all with built-in HVAC monitoring to keep you digitally connected to your customers.<sup>2</sup>

Eligible Models: T3008US, T3016US, T3017US, T3018US, T3019US, T3021US and T3032US

**Build stronger customer relationships. Get valuable leads all year round.**

HVAC monitoring looks out for system issues and send customers an alert with your company's contact info.<sup>2</sup> Just enter your Pro ID on every thermostat you install so they can easily book a repair with you.<sup>3</sup>

**Heat pumps are a big upgrade for customers. And a big opportunity for your business.**

Heat pumps are more in demand than ever – and Nest thermostats have improved intelligent features to optimize heat pump performance and help customers maximize comfort and energy savings.<sup>4,5</sup>

**Don't miss out on the benefits of being a Nest Pro.**

Earn amazing rewards with every install, get VIP technical support, and expand your business with training and marketing materials. Sign up today at [g.co/nestpro](https://g.co/nestpro)

1 This promo cannot be combined with any other promotions. Terms and restrictions may apply. 2 List of eligible HVAC systems is available at [g.co/nest/hvac-monitoring](https://g.co/nest/hvac-monitoring). Alerts can notify users of a potential issue with an eligible HVAC system. They're meant to provide helpful information, not an endorsement, representation, or warranty of any kind about the health of an HVAC system. Alerts aren't intended to replace a diagnosis by a qualified HVAC professional. 3 Pro assistance is only available in eligible areas. Nest Pros are independent third-party contractors who provide HVAC installation, maintenance, and repair services. 4 Nest thermostats are not compatible with heat pumps that require a special closed protocol communicating thermostat. 5 Not available on the 1st or 2nd generation Nest Learning Thermostat. Valid November 1 - December 31, 2023.
