

# Sid Harvey's® **STR-2+ AO**

## FUEL OIL & BIOFUEL CONDITIONER

STR-2+ AO consists of the same proven formula as the original STR-2+, NOW with antioxidants. The addition of antioxidants extends fuel life and stabilizes fuel oil and biofuel blends\*, reducing filter and nozzle clogs, as well as varnishing and waxing that causes fuel pump bind up.

### What can STR-2+ AO do for you?

- Contains antioxidants to prevent loss of stability in biofuel blends up to 20%
- Prevents ice and emulsifies water
- Enhances cold-climate fuel operability
- Disperses and eliminates sludge
- Stabilizes fuel, inhibits corrosion
- Improves fuel combustion and efficiency for higher BTU
