

Patriot Outfits

with Cutting Attachment

BRAZING

 A favorite choice of Refrigeration and HVAC/R Service Technicians

 Patriot® oxygen regulator with reseatable pressure relief valve prevents regulator failure from abrupt tank pressure

Protective rubber gauge boots

 Front valve welding handle with stainless steel ball point valves for accurate gas control

 Three tube tip mix cutting attachment for top performance and safety; cuts up to ½" steel with supplied cutting tip

Optional cutting tips available for cutting up to 2" steel

Three welding tips for brazing up to 1" copper tubing and welding up to 1/8" steel
