CAD CELL RELAYS

Honeywell

Remanufactured Cad Cell Relays

Both wire-lead and terminal connections are replaced. Exchanged less base and cover.

Ref#	Thermostat Voltage	Ignition	Safety Timing	Reman#
R8119A, B	24	Interrupted	55 sec.	R75-17R

Honeywell

Remanufactured Series 40, 80 Honeywell Cad Cell Relays TWO-WIRE, 120V (SERIES 40)

Ref#	Ignition	Safety Timing	Comments	Reman#				
R4184C, D	Intermittent	45 sec.	Will replace 30-70 sec. timing in most cases	R75-29R				
R4185A, B	Interrupted	55 sec.		R75-32R				
TWO-WIR	TWO-WIRE, 24V (SERIES 80)							
R8184A, B	Intermittent	55 sec.		R75-36R				
R8185C, D	Interrupted	15 sec.		R75-46R				
R8185E	Interrupted	45 sec.	Will replace 30-70 sec. timing in most cases	R75-54R				
R8404A	Interrupted	15 sec.	Ignition comes on for duration of safety timing if flame fails during operation	R75-60R				
R8404AA	Interrupted	45 sec.	Ignition comes on for duration of safety timing if flame fails during operation	R75-61R				

Sid Harvey's

Relay Mounting Kits

Enables a cad cell or panel relay to be mounted on many different style motors.
