Essentials® LED 3C Aluminum Flashlight

★★★★★ 3.7 | (17)

[Write a review](#)

\$ 24.99

✓ IN STOCK

Heavy-duty tasks require a heavy-duty light. The anodized aluminum body of this flashlight can take a beating, but it remains light enough to easily carry and transport. It features a Cree™ XRE LED that shines with 180 lumens of brightness and a beam distance of 180 meters—that's powerful light.
