# Beckett Reliability

**Beckett**, the industry leader in condensate / waste water removal, offers a complete line of condensate removal pumps for Heating and Air Conditioning applications. Beckett quality pumps can also be used to remove waste water from ice makers, drinking fountains, beverage machines, dehumidifiers, water coolers, computer room A/C equipment, furnaces, refrigeration and many other applications.

All units are specifically designed for high reliability along with a fast and inexpensive installation process. Our automatic condensate pumps include as standard features: replaceable check valves, thermal protection and stainless steel shafts. We also offer a wide selection of lifts and voltages. HT models are available with high temperature components for water applications up to 190° F. Beckett also offers an In-Pan unit for condensate and waste water removal. Please review our catalog for the lift, performance and options that best suit your needs.

## Applications:

- Air Conditioners & Furnaces
- Refrigeration
- Drinking Fountains
- Beverage Machines
- Water Removal
- Dehumidifiers
- High Efficiency Gas Furnaces

## Features:

- All Black Flame Retardant Plastic
- Larger High Impact ABS Tank
- Can Mount From Either Side
- New Improved Duck-Bill Check Valve Design
- Three Intake Holes
- Reliable Micro Switch Float Mechanism
- Heavy Gauge Steel Motor Mount
- Convenient Discharge with Barb & Threads
- Capable of Handling Mild Acids
- Stainless Steel Shaft
- Thermal Overload Protection
- Quiet Operation
- Simple Installation

## OEM/Custom Pump Design

For all your custom applications, let Beckett utilize our design and manufacturing expertise to quickly develop a custom product for your business or modify an existing product to fit your specific application.

# Condensate Pumps

## CB15 and CB20 Series

Beckett's new family of medium condensate pumps are designed to meet or exceed your toughest job demands. This new generation of pumps is engineered to be user friendly with features like a more reliable micro switch float mechanism and the ability to mount the pump from either side. Check out the larger replaceable Duck-Bill check valve design and convenient discharge with both barb and threads, a new modern design that meets the highest quality standards that you have come to expect from Beckett.

### BECKETT AUTOMATIC CONDENSATE UNITS CODING LEGEND

**Tank Capacity**  
 CB12 ..... 3.4 oz.  
 CL20 ..... 85 US quart (.80 Liters)  
 CB15, CB20 ..... 2.0 US quart (1.9 Liters)  
 CB22, CB25, CB50 ... 1.0 US gallon (3.785 Liters)

U.S. and Canada UL listed

\*High-Temperature Models UL Listed 190°F

\*\*150°F with Flame Retardant Plastic

CSA = Canadian Standards Association

1 = 115V 2 = 230V 4 = 460V 7 = 277V

IPC - In Pan Condensate Unit

HT - High Temperature Unit

CL - Low Profile Condensate Unit

T - Tubing Included (20', 3/8" I.D.)

LS - Less Safety Switch (otherwise included)

SS - Stainless Steel Tank

# Limited Warranty

## LIMITED WARRANTY

### WARRANTY

Each Beckett Corporation ("Beckett") product is warranted to be free from defects in material and workmanship for the applicable Warranty Period (herein so called) set forth below. The Warranty Period for each product commences on the date of purchase by the original purchaser. The Warranty Periods are as follows:

Product Type or Name	Warranty Period
All Pump Models:	1 Year
All Other Beckett Products	90 days

### APPLICATION

The warranty covers only properly installed and maintained Beckett products and is limited to application at normal temperature (10° C to 40° C, 50° F to 104° F), unless the product is designated for high temperature use, pumping fluids with a specific gravity up to 1.1 and with a pH range of 5 to 9 (fresh water). Beckett products designed for high temperature use are limited to application at temperatures of 30° C to 88° C (86° F to 190° F). Other liquid applications and extreme temperature uses must be approved in advance by Beckett. The warranty does not apply to or cover damages or defects caused by external causes, including, but not limited to, improper or faulty installation or unauthorized modification, lightning, electrical surges, abuse, misuse or abnormal use or misapplication, including use in a manner inconsistent with the product's intended function. The purchaser is responsible for determining the suitability of the product for its intended use. If products are damaged in transit, a claim should be filed with the carrier.

### REMEDY

If there has been a failure to conform to the warranty, Beckett will, at Beckett's option, repair, replace or issue a refund for the particular nonconforming product or part. Repair, replacement, credit or refund, at Beckett's option, is the exclusive remedy in the event of a failure to conform to the warranty. Warranty claims must be made within 3 months after expiration of the applicable Warranty Period.

### ADMINISTRATION

Warranty claims must be made by returning the nonconforming Beckett product, freight prepaid, along with proof of purchase, to: Beckett Corporation, Customer Service Dept., 5931 Campus Circle Dr., Irving, Texas 75063, telephone (888) 232-5388. Telephone authorization from Beckett is required prior to returning nonconforming products or parts. All products or parts returned will be inspected to determine cause of failure before warranty is approved.

### INSTALLATION, REMOVAL AND/OR SHIPPING CHARGES

The warranty does not cover any costs associated with the installation, removal or shipping of products subject to warranty claims.

### DISCLAIMER AND LIMITATION

THE EXPRESS WARRANTY AND REMEDIES SET FORTH ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES AND REMEDIES, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED. TO THE FULL EXTENT PERMITTED BY LAW, BECKETT EXPRESSLY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IF IMPLIED WARRANTIES CANNOT BE DISCLAIMED, ALL SUCH IMPLIED WARRANTIES ARE LIMITED TO THE DURATION OF THE APPLICABLE EXPRESS WARRANTY.

BECKETT DOES NOT ACCEPT LIABILITY BEYOND THE REMEDIES EXPRESSLY SET FORTH IN THIS WARRANTY. IN NO EVENT SHALL BECKETT BE LIABLE OR RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. BECKETT'S AGGREGATE LIABILITY UNDER THIS WARRANTY OR WITH RESPECT TO ANY PRODUCT COVERED HEREBY, UNDER ANY LEGAL THEORY, SHALL NOT EXCEED THE PURCHASE PRICE PAID FOR THE NONCONFORMING PRODUCT. THE LIMITATIONS CONTAINED IN THIS PARAGRAPH SHALL NOT APPLY TO INJURY TO THE PERSON.

Some states do not allow the exclusion or limitation of incidental or consequential damages or exclusions or limitations on the duration of an implied warranty, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.
