1 Mini Strip - Treats up to  
5 Tons for 4 Months Part # PCG5MS

- Prevents Drain Pan Slime, Sludge, Odors, Blockages and Overflows... Naturally!
- Utilizes unique plant based action to clean pans - No biocides or harsh chemicals.
- Time-released - Lasts up to four months.
- Locks in place on pan - will not move or float.
- Completely dissolves - No residue or casing to remove.
- Mini Strip can be cut and used to treat multiple Mini Split evaporators.
