Gent-L-Kleen's Citrus and Orange Hand Cleaners are petroleum solvent-free, natural formulations that have been developed to address environmental and safety concerns. Citrus and Orange Lotion formulations are available with or without American, cosmetic-grade pumice. The Orange Cream formulation is only available with pumice.

Premium natural citrus and orange oils safely and effectively dissolve the very toughest soils. These super fast-working cleaners are pH balanced and biodegradable. All citrus and orange formulations contain an antimicrobial agent and at least five moisturizers including glycerin, aloe

ORANGE CREAM & LOTION HAND CLEANERS

- **Fragrance: Natural Fresh Orange**
- **Color: White**
- **Cream with Pumice and Lotion with and without Pumice**
- **Orange Oil/No Petroleum Solvents**
- **Complies with USA State VOC Regs**
- **5 Skin Conditioners**
- **Contains an Antimicrobial Agent**
- **Great for removing Grease, Pipe Dope, Cutting Oil, Undercoating, Inks and More**
- **Compare to Competitors' Orange Hand Cleaners**

vera, vitamin E, jojoba and wheat germ extract to help keep your hands soft and smooth. The Citrus Lotion *Conditioner Enriched* formulas also contain vitamins A and C plus almond and soy oil for advanced conditioning.

Whichever Gent-L-Kleen Citrus or Orange Hand Cleaner you choose, you will be getting the finest hand cleaner with natural citrus and orange oils for more effective and faster cleaning. For the more traditional orange product, select from Gent-L-Kleen's Orange line. For the absolute ultimate in cleaning, conditioning and dispensing, select from Gent-L-Kleen's Citrus Lotion *Conditioner Enriched* line.

Ask for details on Dispenser-Mate® 5000 Dispensing System to use with 4000 ml Tanks.

*Flat-top gallon is a non-stock item.
**Parcel Pak is available by special order.
