

Comfortmaker® Gas Furnaces

Performance Series
N9MSE/N9MSB/N8MXL/N8MS

BUILT WITH STRENGTH

When you choose Comfortmaker® heating and cooling equipment, it means your home comfort is backed by superior engineering and quality manufacturing so you can enjoy more important things. Each unit is 100% run tested, and we design our products to give you the best in quality, energy efficiency and reliability. We deliver products that give you the most in home comfort so you can enjoy comfort with confidence.

BACKED BY EXCEPTIONAL WARRANTIES

You get dependable comfort with every Comfortmaker product. We'll replace your unit if the heat exchanger fails within the covered period. We give you extra coverage in addition to a 10-year parts limited warranty.*

Timely registration required. See warranty certificate for details and restrictions.

WHAT IS A GAS FURNACE?

Comfortmaker gas furnaces are designed for the best durability and comfort. The warmth and efficiency of natural gas combined with a quiet, efficient blower motor delivers comfort throughout the cold seasons. The gas furnace can also be combined with an indoor evaporator coil and properly matched outdoor air conditioner or heat pump to provide cooling during the warm seasons.

Gas Furnace

WHAT SETS COMFORTMAKER® GAS FURNACES APART?

- Advanced RPJ® (Rigid Press Joint) aluminized steel heat exchangers capture additional heat generated by your furnace
- Induced draft combustion blower for efficient performance
- Multispeed ECM or PSC circulation blower for durability and reliability
- 35" height adds installation flexibility
- California low NOx models available for most applications

**To the original owner, Comfortmaker products are covered by a 10-year parts limited warranty upon timely registration. The limited warranty period is 5 years if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will automatically receive a 10-year parts limited warranty. See warranty certificate for complete details.*

WHAT MATTERS IN A GAS FURNACE?

Get the most out of a heating system by choosing the gas furnace that fits your comfort needs. All of our gas furnaces include comfort enhancing and durable features to deliver lasting performance. For the maximum combination of comfort, efficiency and convenience, ask about our Observer® communicating system models with Wi-Fi® capability. For more consistent temperature control, look for modulating or two-stage models. For year-round efficiency as the furnace blower runs during the cooling season, look for variable-speed and ECM blower motors. Our quietest models feature insulated blower and heater compartments. And our No Hassle Replacement™ limited warranty is offered on our premium products to give you peace of mind. Comfortmaker gas furnaces offer energy efficiency, increased comfort, durable performance, and quiet operation.

EFFICIENCY RATINGS—WHAT DO THEY MEAN?

Annual Fuel Utilization Efficiency (AFUE)—Measures the heating efficiency of a gas furnace. The higher the AFUE, the greater the gas heating efficiency and energy savings potential

N9MSE Performance 95 Gas Furnace

- Up to 95.5% AFUE heating efficiency
- 20-year heat exchanger limited warranty
- 10-year parts limited warranty (upon timely registration)

UP TO
95.5%
AFUE

N9MSB Performance 92 Gas Furnace

- Up to 92.1% AFUE heating efficiency
- 20-year heat exchanger limited warranty
- 10-year parts limited warranty (upon timely registration)

UP TO
92.1%
AFUE

N8MXL Performance 80 Gas Furnace

- 80% AFUE heating efficiency
- ECM fan motor
- 20-year heat exchanger limited warranty
- 10-year parts limited warranty (upon timely registration)

80%
AFUE

N8MS Performance 80 Gas Furnace

- 80% AFUE heating efficiency
- 20-year heat exchanger limited warranty
- 10-year parts limited warranty (upon timely registration)

80%
AFUE
