

GO-AEROSOL SPRAYWELD® PURPLE

1-STEP PRIMER/CLEANER AND CEMENT FOR PVC AND ABS PLASTIC

SPECIAL PATENTED DESIGN Patent #'s 6652704/7008985

Equipped with a patented valve and unique 360° spray-anyway design, SPRAYWELD is truly innovative. Sprayweld's secret formula actually combines three products into one easy to use can!

Years of development and testing in both the lab and the field have produced this one of a kind product that is rapidly changing the way solvent weld pipe is assembled.

- ▶ NO WASTE!
- ▶ LESS MESS!
- ▶ ONE YEAR SHELF LIFE!
- ▶ COSTS LESS!
- ▶ EASY TO USE
- ▶ MEETS ALL APPLICABLE ASTM Standards
- ▶ IAPMO certified to NSF/ANSI 61
- ▶ LOW VOC

There is no waste due to spilling, leaking or contamination because it is a sealed and pressurized system, no more bent, dented and stuck lids to pry open. And no more dried-in-the-can hassles!
