## **Complete Kit to Add or Relocate a Thermostat**

#### **Thermostat Features**

- 7 Day, 5-2 Day or Non-Programmable
- Large 5 Sq. In. Backlit Display
- Auto or Manual Changeover
- Residential or Commercial Modes
- Battery Operated for Total Installation Flexibility
- Compatible with 2 or 3 Wire Hydronic Zone Systems
- Adjustable Balance Points
- Auxiliary Heat Fossil Fuel Option
- Programmable Fan Control
- R and C Terminals for Optional 24 Volt Operation
- Adjustable Temperature Limits
- Multi-Level Keypad Lockout
- Quick Reference Instruction Card

#### **Wireless Features**

- Superior Wireless Range
- Battery Life Exceeds Virtually All Competitive Models
- Includes Return Air Sensor for Default Temperature Control Even if Batteries are Drained
- Connect up to 4 Optional Wireless Indoor Sensors for Remote Temperature Sensing\*
- Optional Wireless Outdoor Sensing for Outdoor **Temperature Display or Balance Point Control\***
- · Optional Wireless Humidity Plenum Sensor for Whole-House Humidification Control\*
- Affordable Solution for Most Thermostat Applications

## **Total Installation Flexibility**

# BlueLink

## Wireless Remote Sensors and Accessories

### 7390 Wireless Remote Indoor Sensor

- Sense temperature at remote location or combine with thermostat
- Up to 4 wireless remote indoor sensors can be connected\*
- Front LED light shows sensor status
- Requires 2 "AA" Alkaline batteries (included)

### 7490 Wireless Remote Outdoor Sensor

- Display outdoor temperature
- Use for heat pump balance point control
- 1 wireless remote outdoor sensor can be connected\*
- Requires 2 "AA" Lithium batteries (included)

### 7330 Wireless Remote Humidity Sensor

- Controls humidifier or dehumidifier
- Mounts directly to return air plenum
- 1 wireless remote humidity sensor can be connected\*
- 24 VAC Powered

#### 7340 Share-a-Wire™ Module

- For use with BlueLink Smart Connect™ Wi-Fi Thermostats
- Provides a common "c wire" connection on a 4 wire system

## FREE with Thermostat Purchase!

Braeburn Zoning Accessories are designed to give years of performance in demanding zoning applications. Complete the HVAC installation with the full line of Braeburn thermostats and guards.

The Braeburn static pressure control is designed to mount on vertical surfaces. Powered from the zone panel transformer, this unit automatically controls the plenum bypass damper by monitoring system pressure as zones close and open.

### **Features**

Braeburn zoning transformers have 120 VAC input and 24 VAC output. UL listed and convenient mounting features for easy installation.

### **Features**

These kits are the finishing touch to any zoning system installation. More convenient than the remote switch on the zone panel, both kits include a laser engraved wall plate and handy box.

### **Features**

149090

## **Zoning Systems Accessories**

## 149020 Static Pressure Control

• Used to control plenum bypass air volume • Reduces bypass problems in mismatched zones • Includes relay and measuring pitot tube

## 149040 Zoning System Transformer

• 40 VA, 120 VAC Includes mounting plate

## **Emergency Heat Switch Kit**

• 149090 features a commercial quality lighted rocker switch • 149091 features a standard switch

#### **Replacement Parts**

149100 Syncron Motor for Round PO/SR Dampers 149125 Motor for All PO/PC Dampers (except retrofit) 149145 Motor for All PO/SR Dampers

- 149156 Supply Air Sensor
- 149160 Barometric Bypass Damper Counterweight
- 149162 Barometric Bypass Damper Arm Assembly

Welcome! Braeburn is the value alternative for a wide variety of indoor air quality control products. Founded in 2001, our corporate headquarters is located in Montgomery, Illinois – just west of Chicago. We are committed to providing you with the precision products you would expect from a world class company. Our manufacturing facility is ISO 9001 and QS9000 rated for the highest assurance of quality. Braeburn provides solutions to lower energy costs and increase comfort in any home or business environment. Our innovative value-added features, reliability and contemporary designs make us the brighter choice in thermostats, air filtration products, humidification and zoning.

We support the Energy Aware Program www.getenergyaware.com
