

ZIP-EZ™ INSULATION FASTENERS

The fast, easy, permanent, professional, revolutionary way to attach duct wrap and reflective insulation. Zip-Ez™ all-purpose fasteners' unique design provides fast and easy one-handed installation.

Features / Benefits

- Fast & easy to use - no special tools necessary
- Permanent holding power - use sheet metal screw
- Will not lose holding power - even during extreme hot or cold temperatures
- Plenum rated to UL Standard 2043, 2nd Edition
- Increase productivity
- Professional appearance

Applications

Zip-Ez™ mechanically secures duct wrap, fiber-free reflective insulation, using a sheet metal screw.

Plenum Rated, UL Standard 2043, 2nd Edition
“Fire test for heat and visible smoke release for discrete product and their accessories installed in air-handling spaces.”
