SECTION 1: Identification         1.1.       Identification         Product name       : Magnesium Hydroxide Pellets	
1.1. Identification	
Product name : Magnesium Hydroxide Pellets	
1.2. Relevant identified uses of the substance or mixture and uses advised against	
Use of the substance/mixture : Acidic Condensate Wastewater Treatment Products	
1.3. Details of the supplier of the safety data sheet	
JJM Boiler Works Inc.	
69 Ferry St. Units 17-20	
Easthampton, MA 01027	
1.4. Emergency telephone number	
Emergency number : 413-527-1893	
SECTION 2: Hazard(s) identification	
2.1. Classification of the substance or mixture	
GHS-US classification	
Not classified	
2.2. Label elements	
GHS-US labeling	
No labeling applicable	
2.3. Other hazards	
No additional information available	
No additional information available 2.4. Unknown acute toxicity (GHS US)	
No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable	
2.4.     Unknown acute toxicity (GHS US)       Not applicable	
2.4.       Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients	
2.4.       Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1.       Substances	
2.4.       Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients	
2.4. Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1. Substances         Not applicable	ation
2.4. Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1. Substances         Not applicable         3.2. Mixtures	ation
2.4. Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1. Substances         Not applicable         3.2. Mixtures         Name       Product identifier         %       GHS-US classification	ation
2.4. Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1. Substances         Not applicable         3.2. Mixtures         Mame       Product identifier         %       GHS-US classification         Magnesium hydroxide       (CAS No) 1309-42-8       100         Full text of hazard classes and H-statements : see section 16	ation
2.4. Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1. Substances         Not applicable         3.2. Mixtures         Name       Product identifier         Magnesium hydroxide       (CAS No) 1309-42-8         Full text of hazard classes and H-statements : see section 16         SECTION 4: First aid measures	ation
2.4. Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1. Substances         Not applicable         3.2. Mixtures         Mame       Product identifier         %       GHS-US classified         Magnesium hydroxide       (CAS No) 1309-42-8       100         Full text of hazard classes and H-statements : see section 16	
2.4. Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1. Substances         Not applicable         3.2. Mixtures         Magnesium hydroxide         VCAS No) 1309-42-8         100         Not classified         Full text of hazard classes and H-statements : see section 16         SECTION 4: First aid measures         4.1. Description of first aid measures         First-aid measures after inhalation         :       If inhaled, remove to fresh air and keep at rest in a position comfortable for breathing	ng. Seek
2.4. Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1. Substances         Not applicable         3.2. Mixtures         Mame       Product identifier         %       GHS-US classifica         Magnesium hydroxide       (CAS No) 1309-42-8         Full text of hazard classes and H-statements : see section 16         SECTION 4: First aid measures         First-aid measures after inhalation         :       If inhaled, remove to fresh air and keep at rest in a position comfortable for breathin medical attention.         First-aid measures after skin contact       :	ng. Seek lical attention contact
2.4.       Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1.       Substances         Not applicable         3.1.       Substances         Not applicable         3.2.       Mixtures         Mame       Product identifier         %       GHS-US classifica         Magnesium hydroxide       (CAS No) 1309-42-8         Full text of hazard classes and H-statements : see section 16         SECTION 4: First aid measures         First-aid measures after inhalation       : If inhaled, remove to fresh air and keep at rest in a position comfortable for breathin medical attention.         First-aid measures after skin contact       : After contact with skin, wash immediately with plenty of water and soap. Seek med if irritation develops or persists.         First-aid measures after eye contact       : Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove e lenses, if present, after the first 5 minutes, then continue rinsing eye. Seek medica	ng. Seek lical attention contact
2.4.       Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1.       Substances         Not applicable         3.2.       Mixtures         Mame       Product identifier         Magnesium hydroxide       (CAS No) 1309-42-8         Full text of hazard classes and H-statements : see section 16         SECTION 4: First aid measures         First-aid measures after inhalation         :       If inhaled, remove to fresh air and keep at rest in a position comfortable for breathin medical attention.         First-aid measures after skin contact       :         First-aid measures after eye contact       :         First-aid measures after eye contact       :         First-aid measures after ingestion       :         Do not induce vomiting. Get immediate medical attention.	ng. Seek lical attention contact
2.4.       Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1.       Substances         Not applicable         3.2.       Mixtures         Mame       Product identifier         Magnesium hydroxide       (CAS No) 1309-42-8         Full text of hazard classes and H-statements : see section 16         SECTION 4: First aid measures         First-aid measures after inhalation         :       If inhaled, remove to fresh air and keep at rest in a position comfortable for breathin medical attention.         First-aid measures after skin contact       :         First-aid measures after eye contact       :         First-aid measures after eye contact       :         First-aid measures after ingestion       :         Do not induce vomiting. Get immediate medical attention.	ng. Seek lical attention contact
2.4.       Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1.       Substances         Not applicable         3.2.       Mixtures         Magnesium hydroxide       (CAS No) 1309-42-8         Full text of hazard classes and H-statements : see section 16         SECTION 4: First aid measures         First-aid measures after inhalation       : If inhaled, remove to fresh air and keep at rest in a position comfortable for breathin medical attention.         First-aid measures after inhalation       : After contact with skin, wash immediately with plenty of water and soap. Seek medical if irritation develops or persists.         First-aid measures after eye contact       : Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove to lenses, if present, after the first 5 minutes, then continue rinsing eye. Seek medical irritation develops or persists.         First-aid measures after ingestion       : Do not induce vomiting. Get immediate medical attention.         4.2.       Most important symptoms and effects, both acute and delayed	ng. Seek lical attention contact
2.4.       Unknown acute toxicity (GHS US)         Not applicable         SECTION 3: Composition/Information on ingredients         3.1.       Substances         Not applicable         3.2.       Mixtures         Magnesium hydroxide       (CAS No) 1309-42-8         Full text of hazard classes and H-statements : see section 16         SECTION 4: First aid measures         First-aid measures after inhalation         :       If inhaled, remove to fresh air and keep at rest in a position comfortable for breathin medical attention.         First-aid measures after skin contact       : After contact with skin, wash immediately with plenty of water and soap. Seek med if irritation develops or persists.         First-aid measures after eye contact       : Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove a lenses, if present, after the first 5 minutes, then continue rinsing eye. Seek medical irritation develops or persists.         First-aid measures after ingestion       : Do not induce vomiting. Get immediate medical attention.         4.2.       Most important symptoms and effects, both acute and delayed         Symptoms/injuries after inhalation       : None anticipated under normal product use conditions.	ng. Seek lical attention contact

Indication of any immediate medical attention and special treatment needed 4.3.

No additional information available

SECTION 5: Firefighting measures		
5.1. Extinguishing media		
Suitable extinguishing media	: Use extinguishing media appropriate for surrounding fire.	
Unsuitable extinguishing media	: None.	
5.2. Special hazards arising from the sub		
Fire hazard	: None known.	
Explosion hazard	: None known.	
5.3. Advice for firefighters		
Protection during firefighting	: Firefighters should wear full protective gear.	
SECTION 6: Accidental release meas	ures	
6.1. Personal precautions, protective equ		
6.1.1. For non-emergency personnel		
No additional information available		
6.1.2. For emergency responders		
No additional information available		
6.2. Environmental precautions		
No special environmental precautions required.		
6.3. Methods and material for containment	nt and cleaning up	
For containment	: No special containment needed.	
Methods for cleaning up	: Collect spilled material and place in sealed containers for reclamation or disposal.	
6.4. Reference to other sections		
No additional information available		
SECTION 7: Handling and storage		
7.1. Precautions for safe handling		
Precautions for safe handling	: No special handling required.	
7.2. Conditions for safe storage, includin	g any incompatibilities	
Storage conditions	: Keep container tightly closed in a dry and well-ventilated place.	
SECTION 8: Exposure controls/perso	onal protection	
8.1. Control parameters		
Magnesium hydroxide (1309-42-8)		
Not applicable		
8.2. Exposure controls		
Appropriate engineering controls	: General (mechanical) room ventilation is expected to be satisfactory for normal handling.	
Hand protection	: Use gloves to minimize skin contact.	
Eye protection	: Safety glasses.	
Skin and body protection	: Wear suitable working clothes.	
Respiratory protection	: None required under normal product handling conditions.	
SECTION 9: Physical and chemical properties		
9.1. Information on basic physical and ch		
Physical state	: Solid	
Appearance	: Pellets	
Color	: White	
Odor	: Characteristic	
Odor threshold	: No data available	
рН	: No data available	
pH solution	: No data available	
Melting point	: No data available	
07/17/2017	EN (English US)	2/4

Freezing point	: No data available
Boiling point	: No data available
Flash point	: No data available
Relative evaporation rate (butyl acetate=1)	: No data available
Flammability (solid, gas)	: No data available
Vapor pressure	: No data available
Relative vapor density at 20 °C	: No data available
Specific gravity	: 2.36
Solubility	: Slightly soluble.
Log Pow	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity	: Not applicable
Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available
Explosion limits	: No data available
Explosive properties	: No data available
Oxidizing properties	: No data available

#### 9.2. **Other information**

No additional information available

SECTION 10: Stability and reactivity
10.1. Reactivity
No additional information available
10.2. Chemical stability
The product is stable at normal handling and storage conditions.
10.3. Possibility of hazardous reactions
Will not occur.
10.4. Conditions to avoid
None.
10.5. Incompatible materials
Not determined.
10.6. Hazardous decomposition products
Not determined.
SECTION 11: Toxicological information
11.1. Information on toxicological effects

Acute toxicity

: Not classified

Magnesium hydroxide (1309-42-8)	
LD50 oral rat	8500 mg/kg
ATE US (oral)	8500 mg/kg body weight
Skin corrosion/irritation	: Not classified
Serious eye damage/irritation	: Not classified
Respiratory or skin sensitization	: Not classified
Germ cell mutagenicity	: Not classified
Carcinogenicity	: Not classified
Reproductive toxicity	: Not classified
Specific target organ toxicity – single exposure	: Not classified
Specific target organ toxicity – repeated exposure	: Not classified

Aspiration hazard	: Not classified
SECTION 12: Ecological information	
12.1. Toxicity	
No additional information available	
12.2. Persistence and degradability	
No additional information available	
12.3. Bioaccumulative potential	
No additional information available	
12.4. Mobility in soil	
No additional information available	
12.5. Other adverse effects	
Effect on the global warming	: No known effects from this product.
SECTION 13: Disposal considerations	S
13.1. Waste treatment methods	
Product/Packaging disposal recommendations	: Dispose of contents/container in accordance with local/regional/national/international regulations.
SECTION 14: Transport information	
Department of Transportation (DOT)	
In accordance with DOT	
Not applicable	
<b>SECTION 15: Regulatory information</b>	
15.1. US Federal regulations	
Magnesium hydroxide (1309-42-8)	
Listed on the United States TSCA (Toxic Substa	nces Control Act) inventory
15.2. US State regulations No additional information available	
SECTION 16: Other information	

This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product
