

**WHOLESALE DISTRIBUTORS**

Refrigeration ■ Air Conditioning ■ Heating  
More than 80 Years of Service to the Trade

**TO:** All Customer Service – Traffic Managers & Sales Representatives of all Vendors and Suppliers of Sid Harvey Industries, Inc. facilities and store locations

**DATE:** March 4, 2020

**SUBJECT: VENDOR ROUTING INSTRUCTIONS – EFFECTIVE IMMEDIATELY**

Routing instructions below are for all suppliers when shipping to any Sid Harvey store, Sid Harvey customer as requested by authorized Sid Harvey personnel, Central Distribution Center, Andrews SC factory or our HQ in Garden City, NY.

**LTL Shipments and Truck Loads** All palletized LTL shipments above 150 lbs that are under 750 cubic feet and under 12 linear feet or considered an oversized parcel (length plus girth exceeds 130 inches or when length exceeds 96 inches) **MUST** be routed through Sid Harvey's primary transportation provider, PLS Logistics Services (PLS), via one of our approved LTL carriers by calling 888-757-8261 or emailing [PLSFreight1@plslogistics.com](mailto:PLSFreight1@plslogistics.com) .

**Small Package Shipments** Shipments weighing 1 to 150 lbs must be routed UPS Ground Collect using our account number **45W3A6**. Oversized articles, items that must remain upright or large quantities of small boxes (>18) within this weight break should move through PLS as a **LTL** shipment. Vendor is responsible to ensure shipments are sufficiently packaged in the view of UPS to uphold any damage claim.

I thank you for your cooperation and I am available to discuss further any individual concerns or suggestions that you may have in pursuing Sid Harvey's goals.

Sincerely,

Chris Jumper

Distribution & Logistics Manager

Sid Harvey Industries, Inc
